Email:_____________________________

Ends – May 1, 2015
Days/Times:
Monday Wednesday Saturday
6:00p to 10:00p 9a – 5p

* Cost: $1,475.00

The tuition fee includes:
• Trauma Shears
• Stethoscope
• Blood pressure cuff
• Pen light
• CPR Certification
• Text books
• National Registry Practical Examination (one attempt)

The following textbook will be used:
Brady’s Prehospital Emergency Care, 10th edition. Books will be available the first night of class.

Prerequisites:
You must be 16 years of age to become certified as an EMT in the State of Connecticut

This 190+ hour course is an entry level program that will train you to be an integral member of the pre-hospital team. The course provides instruction in basic life support skills such as CPR, airway management, treatment of bleeding control and shock recognition. In addition, we will cover: care for trauma victims, medical emergencies, OB/GYN, and pediatrics.

During the program you will be required to complete 10 hours of observation time, separate from class time, at the Hartford Hospital Emergency Department and/or at a local ambulance service provider.

Upon successful completion of the program, you will be eligible to take the certification exam from the National Registry of Emergency Medical Technicians (NREMT). Successful completion of the exam is required in order to be certified as an EMT in Connecticut. The examination fee for one exam is included in the cost of the program.

Refunds will be honored until the second night of class with a $50 service charge.

Payment must be included to reserve a seat. Checks should be made out to “Hartford Hospital”

UConn Students will receive a permission number after payment

Space is limited, and seats will be assigned on a first come, first served basis!
